

Type WS - angle with lateral hook - 0 Type WS 2-row - double angle with lateral hook

Typ WS Winkel mit seitlichen Haken

Type WS / WS 2-row

Angle with lateral hooks, double-section as double angle (-hooks) also available with different steel diameters.

Technical data

The values e , b , h and l are variable depending on the element width, sheet type and BSt \emptyset . The anchoring length applies only to single-row elements with standard perforation.

Subject to technical changes. The dimensions as well as the combination of the maximum values must be agreed in each individual case. Listed are design examples.
