

## KNACKER®

With the KNACKER®, even complicated or particularly firmly adhering bowl elements can be easily loosened. The hardened lid allows the KNACKER® to be used several times.

All parts reusable

Pre-drilled hole in the formwork for threaded part Ø 25 mm

| Article description | Title of variant    | Packaging piece/ metre/ metre by the metre/<br>bucket/ bag/ bundle/ box/ can | Weight kg/piece |
|---------------------|---------------------|--|-----------------|
| 30102600            | Deckel, hardened    | 1 piece  | 0,150           |
| 30101500            | Threaded part, Ø 80 | 50 pieces  | 0,310           |
| 30100200            | Bolt, 20 cm         | 1 piece  | 0,300           |
| 30100300            | Bolt, 30 cm         | 1 piece  | 0,420           |
